Sign a Petition. Save an Animal.

October 20, 2020

Dear Prosecutor Natasha Irving,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for Addison Cox and Michael Rolerson, formerly with the Rockland Maine Police Department, to receive the maximum punishment for the felony charges stemming from their cruel and unnecessary killing of several porcupines.

It is our understanding the former officers admitted to killing multiple porcupines, and that one of the killings was recorded on video and shared to social media. **Over 9700 people have signed our petition** (please see link below) asking for Rolerson and Cox to receive the maximum punishment for their abhorrent behavior.

We look forward to hearing back from your office with an update about this case. Thank you for your time and consideration.
