Dear Attorney Mark Wodarczyk,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a for his fifth-degree felony charge of animal cruelty. Johnson admitted to setting fire to a plastic crate with a puppy inside, and **23189 people signed our petition** asking for him to receive the maximum punishment for his crime. We are aware that the appropriate agencies have worked tirelessly to investigate this crime and apprehend Mr. Johnson, and it is our hope that you will utilize our petition as much as possible for this case.

We appreciate your time and consideration. We hope to hear back from you in the near future with an update about this important animal cruelty case. We will follow up with your office if we do not receive a response.

With gratitude,

Janelle Babington and Penny Eims
