Sign a Petition. Save an Animal.

November 30, 2020

Dear District Attorney,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for Steven M. Alston to receive the maximum punishment for the multitude of charges he faces, stemming from the abuse and neglect of numerous animals which were in his care. It is our understanding that Alston is charged with 18 counts of animal cruelty which includes 14 felony counts, two misdemeanors, and two summary counts, following the discovery of animals living in squalor at his property.

Over 15,500 people have signed our petition (please see link for signatures and comments) asking for Alston to be punished for his atrocious "care" of these animals. It is our collective hope that this man will not receive a plea deal, and that he will be prohibited from ever owning animals in the future.

We and the supporters of this petition are taking this case very seriously and will follow-up accordingly. Thank you in advance for your time.

With gratitude,
Janelle Babington and Penny Eims
