*Sign a Petition. Save an Animal.*

December 21, 2020

Target: Erie County Sheriff's Office

To Whom it May Concern,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition regarding the suspected dog-fighting operation found at the home of 43-year-old Douglas Williams of Buffalo.

Our petition garnered **11,700 signatures** (please see link below for comments and signatures) from people who want to see this man put behind bars for his crimes. At the time that our petition was created, Williams was not in custody. We are writing today to see if Williams has been apprehended, and if so, has a court date been set for him?

Animal Victory and our supporters take this case very seriously and we will continue to follow up with your office. We look forward to hearing back from your office with the status of this situation.

Thank you for your hard work on this case.

With gratitude,

Janelle Babington and Penny Eims
