Sign a Petition. Save an Animal.

January 4, 2021

Dear Prosecutor Spratin,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for Steven Graham, of Georgetown County, to receive the maximum punishment for his 14 counts of animal cruelty, stemming from the abandonment of 14 dogs and puppies at a residence on Brothers Lane, in Georgetown.

Some of the dogs abandoned at the property did not survive, and those who did showed signs of extreme neglect. **Over 13,000 people** have signed our petition (please see link for signatures and comments) asking for this man to be put away for his abhorrent act of cruelty. If the situation had not been discovered, all of the dogs and puppies would have suffered a slow and miserable death. Steven Graham does not deserve a plea deal as it would only serve to diminish the seriousness of this crime.

We hope to hear back from you about the status of this important cruelty case. We, and our supporters, take this situation seriously and we will be following up with your office as the case progresses.

Thank you for your time and consideration.

Sincerely,

Janelle Babington and Penny Eims
