*Sign a Petition. Save an Animal.*

January 4, 2021

Dear District Attorney Alexander Brennan,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for Delia Banos to be given the maximum sentence for the animal cruelty charge stemming from her abuse of a dog named Lassie. Lassie was discovered on November 13, locked inside of a dark, filthy wooden doghouse in Banos' backyard.

It is our understanding that Lassie was confined inside of the structure - trapped behind a piece of plywood that had been placed over the doghouse's door. Once freed, it was apparent that the dog was the victim of ongoing neglect. Her maladies included: overgrown hair and nails, severe dental disease, four mammary tumors, and a corneal eye ulcer.

Over **18,100 people** signed our petition (please see link for signatures and comments) asking for Banos to receive the maximum sentence for her crime. We also hope to see this woman prohibited from ever owning an animal again.

We hope to hear back from you about this important animal cruelty case, and we thank you for the work that you are doing.

Sincerely,

Janelle Babington and Penny Eims
