Dear Sheriff Ben Boswell,

Animal Victory has learned that the deceased dog's body is undergoing a necropsy to determine the cause of death, and that the other dogs at this man's home have voluntarily been rehomed. Can you please confirm this information? We would also like to, once again, present our petition which now has 17,000 signatures (please see attachment for signatures and comments).

We hope to hear back from your office with details about this ongoing case. Thank you for your time.

Sincerely,

Janelle Babington and Penny Eims

[Dog Froze To Death And Owner Hasn't Been Charged And Is Allowed To Keep Other Dog - Animal Victory](https://www.animalvictory.org/dog_froze_to_death_but_owner_hasn_t_been_charged_and_is_allowed_to_keep_other_dog)

In the midst of frigid conditions in Iowa, a dog slowly froze to death while chained to an outdoor dog house. As appalling as this is, the dog's owner is not facing charges and he is being allowed to keep his other dog.
