Sign a Petition. Save an Animal.

May 10, 2021

Dear District Attorney Steven Wolfson,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for Karl Garcia, and his adult son, Logan, to be held fully accountable for their cruel actions on April 14. These men are facing felony charges for killing their neighbor's cat, Taco, and we hope to see them receive the maximum punishment for the slew of charges they are facing.

Attached you will find a petition with **14,781 signatures** (and comments) from people who are appalled by what happened in the Garcia's backyard on April 14. It is our understanding that these men could face fines up to \$5,000, with the possibility of four years in prison. We are hopeful that you will successfully secure the maximum sentence for both.

Thank you for your time and hard work on this case. We hope to hear back from your office with an update about the status of this case as it proceeds through the court system. We will touch base again soon if we do not receive the courtesy of a reply.

Very Sincerely,

Janelle Babington and Penny Eims

[Vegas Chick-Fil-A Operator Facing Felony Charges For Beating And Shooting Cat - Animal Victory](#)

A Las Vegas, Nevada, Chick-Fil-A operator, and his grown son, are facing felony charges for killing a neighborhood cat. The authorities have named Karl and Logan Garcia as the men who allowed dogs to surround the cat in their backyard, and then viciously kill him.
