Sign a Petition. Save an Animal.

Dear Albany County District Attorney,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We have created a petition asking for David R. Packard and Beth Mickle-Packard to be held fully accountable for the death of a border collie named Duke. Duke was shot twice in the head, starved, and dumped in a ditch. By the time that Duke was discovered on April 20, his condition was so dire that he could not be saved.

We, and our supporters, want to see the Packards receive the maximum punishment for the charges stemming from this horrific incident. We also hope to see them prohibited from ever owning another animal again. It is our hope that this couple will NOT receive a plea deal, as it would only diminish the severity of their crime.

We thank you for your time and consideration and hope to hear back from you in the near future with an update about this important animal cruelty case. We will follow up with your office if we do not receive a response.

Sincerely,

Janelle Babington and Penny Eims
