Attn: John Cox Campaign Organizers

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for the John Cox campaign to stop utilizing Tag, the adult Kodiak bear, in future campaign events. We, and our supporters, feel that this is shameful exploitation of a wild animal, and it needs to come to an end.

It is our hope that John Cox will choose to campaign on his own merits, rather than relying on a publicity stunt to garner attention. The last thing this bear needs is to be hauled from event to event, and paraded in front of the public. It is unnecessary, exploitive, and potentially dangerous.

We hope to hear back from campaign organizers with a statement for our supporters.

Sincerely,

Janelle Babington and Penny Eims
