Attn: Fort Bend County District Attorney's Office

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We have created a petition asking for 29-year-old Graham William Reid to receive the maximum sentence for the four counts of animal cruelty he is facing for brutally killing four kittens.

It is our understanding that Reid viciously attacked these innocent felines during times of stress and frustration, and that his attacks made him “feel powerful.” These kittens suffered horrible injuries, including broken bones, teeth, cut tails and bloodied toes, before dying. What this man did is unconscionable. We and our supporters are hopeful that Reid will not receive a plea deal, and that he will serve as much time behind bars as is allowable by law.

We thank you for your hard work on this case and hope to hear back from your office with an update. We will touch base again soon if we do not hear back from you.

Sincerely,

Janelle Babington and Penny Eims
