Attn: Trumbull County Prosecuting Attorney's Office

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We have created a petition asking for Stanley Redd Jr. to receive the maximum sentence for each and every charge that he is facing after an elaborate dog-fighting operation was discovered at multiple residences tied to him.

It is our understanding that Redd has a criminal background, and the current situation revealed illegal drugs, weapons, and dog-fighting. We and our supporters demand that Redd be put away for as long as possible. A plea deal would only serve to diminish his behavior, and allow him to offend again.

As you are certainly well aware, dog-fighting is a cruel blood sport which results in unimaginable suffering and death for the dogs who are forced to participate. Each and every instance of dog-fighting must be shut down and those who are involved need to be prevented from ever starting up again.

We thank you for your hard work on this case and hope to hear back from your office with an update. We will touch base again soon if we do not hear back from you.

Sincerely,

Janelle Babington and Penny Eims
