Attn: Wayne County Prosecutor Kym Worthy

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We have created a petition asking for Ali Chehade to receive the maximum sentence for his third-degree felony charge of animal cruelty resulting from his vicious attack on a parakeet on May 18.

It is our understanding that Chehade smashed and stomped his parakeet to death while inside of the Critter Pet Shop, in front of staff and other store patrons. The brutal attack happened after Chehade was denied a \$30 refund from the store owner.

Chehade displayed a shocking lack of self-control inside of the pet store. He became so irate over the denial of a \$30 refund that his bird was literally smashed to death. It is our hope that this man will receive the maximum punishment for the felony animal cruelty charge, as well as a permanent ban on pet ownership. A plea deal would only serve to diminish his behavior, and allow him to offend again. We also hope to see this man undergo a mental health evaluation, and receive treatment if necessary.

We thank you for your hard work on this case and hope to hear back from your office with an update. We will touch base again soon if we do not hear back from you.

Sincerely,

Janelle Babington and Penny Eims
