Sign a Petition. Save an Animal.

Attn: Polk County Prosecuting Attorney,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. Attached you will find a petition which we created after learning about the death of a dog, and starvation of two other dogs, who were in the care of Dashong Bonner.

It is our understanding the Bonner admitted that she “forgot” to feed the dogs, and acknowledged that she was not aware that one of the dogs had starved to death inside of a wire cage on her home’s porch. As you are well aware, death by starvation is a long and painful process, and these dogs suffered horribly because of this woman’s cruel neglect.

We, and our supporters, want to see Bonner serve the maximum amount of time for her two felony charges of animal cruelty, in addition to the misdemeanor count of animal cruelty. We also want Bonner to be forbidden from owning, or caring for, another companion animal in the future.

We are hopeful that our petition will be of use for the case against Dashong Bonner. Thank you for your hard work on this cruelty case and we look forward to a favorable update from your office.

Sincerely,

Janelle Babington and Penny Eims
