Dear Mr. Anderson,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. Three months ago, we created a petition asking for Taurence Yaphet Marshall, the man who is accused of burning a puppy alive, to be punished to the fullest extent of the law.

Taurence Yaphet Marshall, 35, has a lengthy criminal history, including guilty pleas for assault, robbery and drug possession. The Enterprise Police Department arrested him on Monday, September 16, for allegedly burning his own puppy to death.

Nearly 4,000 people have signed the petition and we are hoping to learn more about the current status of the case against Marshall in order to update the people who took the time to sign the petition. We look forward to hearing back from you with regards to where this case against Marshall stands.

We look forward to your response. Thank you for your time.

Sincerely,

Janelle Babington and Penny Eims
