*Sign a Petition. Save an Animal.*

November 11, 2019

Dear Office for Public Integrity,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for Waylon Johncock to be punished for his brutal killing of a wombat who was desperately trying to flee harm. Though Johncock, a police officer, was off-duty at the time, his actions were truly disturbing. Watching an officer chase down a harmless animal, laughing at its fear and pain, is upsetting. The animal, who was pelted with stones, did not die quickly - it was left to suffer a slow and painful death.

Nearly 4,000 people have signed the petition asking for Johncock to be prosecuted under the country's Animal Welfare Act. We look forward to hearing more about the status of the investigation into this cruel incident. We are hopeful that we can provide a favorable update to the individuals who signed the petition.

Thank you for your time and consideration,

Sincerely,

Janelle Babington and Penny Eims
