Sign a Petition. Save an Animal.

November 4, 2019

Attn: Chief of Police David Kennedy,

We are Janelle Babington and Penny Eims, animal welfare petitioners from AnimalVictory.org. We have created a petition regarding the animal cruelty case involving a female beagle who lost her life after being skinned alive. The purpose of our petition is to raise awareness about this crime to help find the person responsible, and to garner signatures to present to a judge when and if that person is apprehended. As of today we have received 4237 signatures.

We are hopeful that your department has received tips from the public on this case. If you have any new information that you can share, we would be most appreciative. We will continue to run the petition with the hopes of creating awareness.

Thank you for your time and consideration.

Sincerely,

Janelle Babington and Penny Eims
