Sign a Petition. Save an Animal.

November 11, 2019

Attn: Worcester County District Attorney's Office,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for Eric J. Hannon, of Auburn, Massachusetts, to be sentenced to the maximum extent of the law for his abysmal treatment of a dog named Athena, who was tethered in a basement and abandoned until she died from starvation.

Nearly 5,000 people have signed the petition asking for this man to serve time behind bars. We are hopeful that the extremely cruel nature of this crime will result in more than probation for Hannon. Athena was left to suffer a slow and painful death which was undoubtedly accompanied by extreme fear. This man must pay for his atrocious behavior.

We look forward to learning more about this animal cruelty case, and are hopeful that we will have a favorable report for the individuals who took the time to sign the petition.

Thank you for your time and consideration.

Sincerely,

Janelle Babington and Penny Eims
