Dear Worcester County District Attorney's Office,

In January we sent you a petition with **5441 signatures** from supporters who are asking for the maximum punishment to be given to Eric J. Hannon for tethering his dog in the basement to d this time we have attached **15,923 signatures from supporters** asking for this man to serve tim behind bars.

It's our understanding the next court date is April 27th, for trial discovery. We are hopeful that have a favorable report for the individuals who took the time to sign the petition. We thank you your time and will be in touch again should we not hear back.

Very Truly,

Janelle Babington and Penny Eims
