Attn: New York State Police

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for 59-year-old Carl K. Pritchard to be punished for his horrific neglect of a German shepherd named Zoe. It is our understanding that Pritchard is charged with: Agriculture and Markets Law Agriculture and Markets Law overdriving, torturing and injuring animals; failure to provide proper sustenance (misdemeanor) and failure to provide appropriate shelter for dogs left outdoors.

Our petition has been signed by 10,194 people who hope to see Pritchard given the maximum sentence for his cruel treatment of this innocent dog, who lost her leg because of his neglect. We have learned that Pritchard's case has been postponed for 4-6 weeks and that it is being reassigned to a new judge.

We are hopeful that your agency can direct this letter and attached petition to the appropriate judge and prosecuting attorney. Thank you for your time and assistance with this matter. We look forward to hearing back from someone about the progression of this case.

Sincerely,

Janelle Babington and Penny Eims

Zoe suffered alone until she resorted to the unthinkable - chewing off her own limb.
