SFM Public Affairs Director- Ashley Rodrigue

Dear Ashley Rodrigue,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for Robert Fain to be punished for the death of his K9 partner, Maily, a Belgian malinois mix who died of neglectful malnourishment.

It is our understanding that Fain is facing multiple charges, including: one count each of Aggravated Cruelty to Animals and Malfeasance in Office as well as six counts of 1st Degree Injuring Public Records and four counts each of Theft and Payroll Fraud.

We are hoping to get an update about the charges against Fain, and the current status of this case, in order to provide the 10,472 people who signed the petition with the latest information about what is happening in the court system. We are hopeful that you can be of assistance.

[Punish Former Deputy Fire Marshal Who Starved K9 Partner To Death - Animal Victory](#)

A former Louisiana State Fire Marshal Deputy is facing multiple charges after he allegedly starved his own K-9 partner to death. The agency has identified Robert Fain, a corporal in the

Shreveport area, as the man responsible for the death of Maily, a Belgian malinois mix who died of neglectful malnourishment.
