Sign a Petition. Save an Animal.

February 6, 2020

Dear James Devine, States Attorney,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for Corinne DiLorenzo, founder of (the now defunct) Earth Advocates, aka Earth Animal Sanctuary, to be held fully accountable for the deaths of hundreds of animals at her "sanctuary" in Thawville, Illinois.

Corinne DiLorenzo, founder of (the now defunct) Earth Advocates, aka Earth Animal Sanctuary in Thawville, Illinois, was arrested on December 24, 2019.

It is our understanding that DiLorenzo has pleaded not guilty to the Class 4 felony charge of aggravated animal cruelty resulting from this truly disturbing situation. Nearly 9,235 people have signed our petition asking for DiLorenzo to be put behind bars for the maximum allowable time for her crime, and it is our hope that she will not be given a plea deal or other "slap on the wrist" for her cruel actions. We urge you to please take a moment to view the comments on the attached document.

We look forward to hearing back from you about this case, and we are hopeful that DiLorenzo will be made to pay for her actions. Thank you for your time and consideration.

Sincerely,

Janelle Babington and Penny Eims
