Sign a Petition. Save an Animal.

March 30, 2021

Dear Attorney James Devine,

In May 2020 we sent you our petition asking for Corinne DiLorenzo, founder of (the now defunct) Earth Advocates, aka Earth Animal Sanctuary, to be held fully accountable for the deaths of hundreds of animals at her "sanctuary" in Thawville, Illinois. It is our understanding the next court action for Corrine DiLorenzo is a scheduling conference on April 2 2021 with Judge Sabol presiding. **20,381 people** have signed our petition asking for DiLorenzo to be put behind bars for the maximum allowable time for her crime, and it is our hope that she will not be given a plea deal or other "slap on the wrist" for her cruel actions. We are urging you to read some of the comments on the attached signature pdf file and to please take this abuse case seriously.

Thank you for your time. We will follow-up as needed.

Sincerely,

Janelle Babington and Penny Eims
