Sign a Petition. Save an Animal.

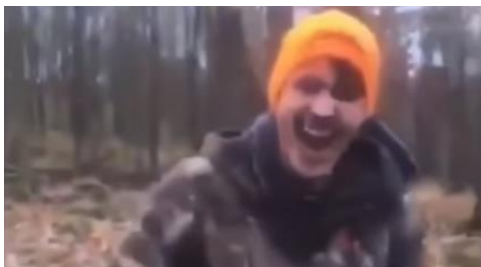

February 6, 2020

Dear Attorney Jeff Burkett,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for 17-year-old Cody Hetrick and 18-year-old Alexander B. Smith to be given the maximum sentence for the charges resulting from their disgusting abuse and torture of an injured deer.

Over 6,500 people have signed our petition, which we are presenting to you today.

[Punish Cruel Teens Who Ruthlessly And Repeatedly Kicked Dying Deer In The Head - Animal Victory](https://www.animalvictory.org/punish_cruel_teens_who_ruthlessly_and_repeatedly_kicked_dying_deer_in_the_head)

Two Pennsylvania teens are facing felony animal cruelty charges for ruthlessly, and repeatedly, kicking a deer in the head as it lay immobile and dying from a gunshot wound. The teens are identified as 17-year-old Cody Hetrick and 18-year-old Alexander B. Smith.

While we are aware that a petition cannot be the deciding factor in sentencing, we do feel that it is important to show court officials that the public does care about cases of animal cruelty, and they want to see strong sentences handed out, rather than plea deals, probation and/or other "slaps on the wrist."

We hope to hear back from you about this animal cruelty case. Cody Hetrick and Alexander Smith's behavior was unconscionable and they both deserve to be punished for their actions.

Thank you for your time and consideration.
