To Whom it May Concern:

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition asking for a boycott of the Meixin Red Wine Town theme park, where a live pig was forced off of a 223 foot platform on a bungee cord.

[Boycott Chinese Theme Park That Cruelly Forced Pig To Bungee Jump - Animal Victory](https://www.animalvictory.org/boycott_chinese_theme_park_that_cruelly_forced_pig_to_bungee_jump)

The world is outraged over a cruel publicity stunt played out last weekend at a Chinese theme park. On Saturday, the Meixin Red Wine Town theme park hoisted a live pig high into the air and forced it to bungee jump from a 223 feet tower.

This publicity stunt was unnecessary and cruel. **7410 people** have signed the petition and voiced their outrage over the outright exploitation of this innocent animal, who was forced into a terrifying situation, and then slaughtered. The theme park has since apologized for this thoughtless act, but something more should be done. We urge you to please read the comments on the attached document.

We are hoping to hear back from local government officials to see if the theme park faced any repercussions for their cruel stunt. We look forward to your reply. Thank you for your time and consideration.

Sincerely,

Janelle Babington and Penny Eims
