Tate County Sheriff's Office

Dear Sheriff Lance,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition in February 2020 following the discovery of 170 dogs living in deplorable conditions at a puppy mill operation in Coldwater.

Conditions at this property (allegedly Ashcraft Kennels) were described by officials as "hell on earth," and the dogs showed significant signs of outright neglect. Despite the appalling conditions, it is our understanding that the dog breeder initially faced no charges.

We are writing to you today to see if the owner of this puppy mill has ever been brought up on charges, and if not, why.

We look forward to hearing back from you about this cruelty case. Thank you for your time and consideration.

Very Truly,

Janelle Babington and Penny Eims

On February 3, over 170 dogs were rescued from deplorable, inhumane conditions at a suspected puppy mill operation in Coldwater, Mississippi. Conditions were so dismal at the Tate County property that it was described as "Hell on Earth" for the dogs who were kept there.
