Sign a Petition. Save an Animal.

June 17, 2020

To Whom it May Concern:

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for Casper Ingram, and his wife Celeste, to be punished for their participation in an illegal dog-fighting operation.

To date, over 15,000 people have signed our petition. It is our understanding that Casper Ingram has prior felony convictions and it is our hope that he and his wife will be severely punished for their treatment of the dozens of dogs who were subjected to unimaginable cruelty.

If you could please let us know who is heading up the case against the Ingram's, we would be most appreciative.

Thank you for your time and consideration, and we appreciate your efforts to break up this illegal dog fighting operation.

Very Truly,

Janelle Babington and Penny Eims
