Sign a Petition. Save an Animal.

May 11, 2020

Dear Marty Lambert, Gallatin County Attorney,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for Allen George Bostic, of Bozeman, to be punished to the maximum extent of the law for his brutal attack on his girlfriend's cat in February 2020.

Bostic allegedly sliced open the cat's throat, killing the feline, and then turned his abusive behavior on his girlfriend. Over 6200 people have signed our petition, which we are presenting to you at this time (please see link below for signatures and comments). It is our hope that Bostic's violent behavior will be punished and that he will not receive a plea deal. We further hope to see him prohibited from owning any animals.

We look forward to hearing from you about this animal cruelty case. Thank you for your time and consideration.
