*Sign a Petition. Save an Animal.*

May 18, 2020

Dear Sheriff Faile,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. In March, we created a petition asking for Steppes Stagvelt Starwolf, 62, and Stevie Jenna Starwolf, 53, to be punished for their cruel neglect of dozens of huskies which were discovered at their residence in Lancaster County, South Carolina.

Over 7400 people signed our petition, which we are presenting to you now. It is our hope that the Starwolfs will face the maximum punishment for the extreme neglect of the dogs who were in their care. We would appreciate any updates in this investigation, including the name of the prosecutor who will be handling the case, if possible.

We look forward to hearing back from you, and we thank you for your hard work on this case.
