*Sign a Petition. Save an Animal.*

Randy Bynum  
Chief of Police

Dear Chief Bynum,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We recently created a petition on behalf of Buster, the dog who was found beheaded on train tracks in Fort Payne. The purpose of our petition is two-fold: we hope that the petition will reach many people and lead to a tip resulting in an arrest(s), and we want to collect signatures to present to the prosecutor after arrests are made.

We know that your department is taking this animal cruelty case seriously and we are thankful for your dedication to find and arrest those who are involved. If you have any new information on this investigation, we would be appreciative of your feedback.

Thank you for your hard work.

[Dog Beheaded On Train Tracks - Find Buster's Killers! - Animal Victory](https://www.animalvictory.org/dog_beheaded_on_train_tracks_find_buster_s_killers)

Police in Fort Payne, Alabama, have launched an animal cruelty investigation after a family's lost dog was found decapitated on train tracks. The dog, a beagle named Buster, was last seen in the company of two teenagers who are believed to have tied him to the tracks. [www.animalvictory.org](https://www.animalvictory.org)
