Prosecutor Andrew C. Palestini of the Passaic

March 10, 2020

Dear Prosecutor Palestini,

We are Janelle Babington and Penny Eims, animal welfare petitioners with AnimalVictory.org. We created a petition asking for Tonya Fea to be punished for drowning a 10-week-old golden retriever puppy dubbed Jenny. It is our understanding that a necropsy confirmed that this innocent puppy was still alive when the crate was plunged into the water. The depravity of this cruel act is appalling.

Over 11,000 people have signed our petition asking for Tonya Fea to be sentenced to jail for this crime. Additionally, we hope to see her ordered to not own any animals in the future.

We hope to hear back from you about the status of this cruelty case so that we can update the individuals who took the time to sign (and comment on) the petition. Thank you for your time and consideration.

Very Sincerely,

Janelle Babington and Penny Eims

[Punish Woman Accused Of Drowning Caged Puppy - Animal Victory](#)

Tonya Fea is accused of putting a young golden retriever puppy, posthumously dubbed "Jenny," into a cage and submerging her in water. There is evidence showing that little Jenny was still alive when the cage was plunged into the water.
