Dear friends and co-workers:

I call on you to join me in demanding a safe workplace from our employer, \_\_\_\_\_. If you feel that our workplace is unsafe and unnecessarily putting us in danger of being exposed to Covid-19, join me in calling on the company to take the following actions

1. Immediately provide all of us with paid sick leave so that if someone is possibly sick with Covid-19, that person can stay home and not infect all of us; or to stay home to care for a family member who contracts Covid-19 and to not spread to co-workers.
2. Meet and discuss with us other steps that can be taken to ensure our safety.
3. Immediately increase the distance between workers to the recommended six feet.

Contact me if you are interested.

I have provided the company with a copy of this letter.
