Patricia Gemmell is passionate about Ecological Theology and the hope it holds for our global future. She is a wife, mother of four children and a retired teacher of Latin, French and Italian and has a BA (Hons), Dip Ed. In 2014 she graduated with a Masters in Theology from Newcastle University.

Patricia is currently part of the International Grail Movement and serving on their Australian National Leadership Team.

This talk will be a summary of the key points Patricia will be presenting in Portugal as part of a series of 5 lectures to be held in July this year, inspired by Pope Francis' encyclical, *Laudato Si*.

After her presentation, Patricia will be hosting a Q & A style forum.
