

## **GREETINGS FROM MAYOR LONDON N. BREED**

As the former Executive Director of the African American Art & Culture Complex, I have been a longtime supporter of the San Francisco arts community.

Your work serves San Francisco in so many areas, from promoting cultural equity and providing opportunities to young people, to continuing to diversify public spaces in order to reflect the rich cultural fabric of our city. As Mayor, I am excited to carry forward efforts to secure space for arts and culture in every neighborhood, not just for this generation but for generations to come.

With warmest regards,
