The External Auditor of the ASEAN Farmers’ Organizations Support Programme

1. ABOUT AFOSP

ASEAN Farmers’ Organisations Support Programme (AFOSP) is an organisation funded by European Union (EU) and International Fund for Agriculture Development (IFAD) focusing on the improvement of smallholder farmers’ living standard and food security. It aims to establish a new dimension for Farmers’ Organisations (FOs) across this region with the ability to strengthen and influence policy as well as corporate development processes related to it.

ASEAN Foundation is tasked with developing the key link between rural FOs in ASEAN region through policy dialogue processes. All stakeholders need to actively engage themselves within the ASEAN Blueprints particularly in ASEAN Socio-Cultural Community pillar.

To achieve the goals of the establishment, AFOSP emphasizes two key programmatic areas which are the Medium-Term Cooperation Programme with Farmers’ Organisations in Asia and the Pacific (MTCP2) and Farmers Fighting Poverty (FFP). MTCP2 focuses on organizational development, strengthening processes and policy advocacy while FFP works/focuses on strengthening and empowering the development of FOs in their involvement in the supply chain through advisory services.

The following are the terms of reference (‘ToR’) on which ASEAN Foundation (AF) agrees to engage ‘the Auditor’ to perform an Audit and to report in connection with the Agreement between AF and the Asian Farmers’ Association for Sustainable Rural Development (AFA) Inc.
