

SMOKE-FREE ENVIRONMENT

Background

The District recognizes its responsibility to ensure the creation of a healthy working environment for District staff and students. Furthermore, the District is aware of the importance of setting a positive example for students in its care.

The District prohibits smoking by all persons at all times in all District facilities.

Procedures

1. This administrative procedure is applicable to all users of District facilities including students, employees and visitors.
2. All candidates considered for employment with the Greater St. Albert Roman Catholic Separate School District No. 734 will be informed of the Smoke-Free Environment Policy prior to appointment.
3. The Superintendent is responsible for advising all employees and other users of the smoke-free policy.
4. Maintenance staff are responsible for posting appropriate signs in all facilities.
