SELECTION CRITERION

The EDNA Awards have one selection criterion, that the nominee has made A FEMINIST DIFFERENCE — that is, a woman who has contributed to making a better world for women. In order to illustrate this, please provide details addressing the following THREE SECTIONS:

SECTION ONE. What has your nominee done that has improved the status of women? Please be specific. (Attach additional pages if necessary.)

SECTION TWO. Why do you believe this has made a feminist difference? (Attach additional pages if necessary.)

SECTION THREE. Please enclose relevant information on the nominee's background and biographical details, examples of her community involvement, paid or unpaid work etc (2 pages maximum). Relevant supporting materials such as media articles, and/or website information could be sent.

Without the information in these THREE SECTIONS, nominations are not able to be considered, and might need to be returned to the nominator asking for more detail.
