Please provide detailed answers to the following questions. If you require additional space, we ask that you provide your responses in a separate word document and attach the form to this application when completed. Please visit our website for complete rules and guidelines:

[www.azaliasolar.com/grant](http://www.azaliasolar.com/grant).

**Tell us briefly about your organization. For example, you may include a brief synopsis of the organization's mission, history, or other information you think may be helpful:**

**Please provide a detailed description of the project to be funded, including the amount of support being requested, and total budget for the project:**

**What specifically will the funding be used for, and how do you envision this will benefit the community as a whole?**

**Please provide the names and titles of board members, or key leaders of the organization requesting the funding:**

**Are you willing to provide proof of registration, or qualifying non-profit status, including tax-exempt determination letter from the Internal Revenue Service\*?**

**YES**

**NO**

*Apex is very cautious to ensure that its community grant program is not used to create undue influence on local decision-makers, or even the appearance of such an impropriety. Grant applications that Apex determines might create a perception of impropriety will not be awarded. No preferential treatment is expected or desired in exchange for grant awards.*
