

Resources: Start Here if you want to learn to save your own seed

Organic Seed Alliance-<https://seedalliance.org/>

Seed Ambassadors Project-This is a wonderful introductory seed saving zine and story.
<https://www.seedambassadors.org/seed-saving-guide/>

Books I recommend :

The Seed Garden-Michaela Colley and Jared Zystro

The Resilient Gardener and anything by Carole Deppe

Seed to Seed by Suzanne Ashworth

Farming While Black- Leah Penniman

My Seed Mentors

Rowan White: A Mohawk seed keeper committed to living and teaching the sacred relationship between humans and seed and the earth. <http://sierraseeds.org/>

Organic Seed Alliance: A wonderful organization in Pt. Townsend, WA dedicated to seed education, advocacy, and research. My education as a seed saver and plant breeder began almost ten years ago with on farm workshops taught by OSA.
