

STEVEN TITO ACADEMY

Learning for Life

OUR SCHOOL

Steven Tito Academy (STA) was established in 2012 as a program of The Baobab Home in Bagamoyo, Tanzania. STA is an English-medium primary school for bright students from poor families. As a charity school, we offer safe, quality education to those who need it most.

OUR VALUES

Our interdisciplinary curriculum puts equal emphasis on academics, athletics, arts and empathy. We teach our students to respect both each other and the world around them, in hopes of raising well- rounded individuals capable of inspiring positive change.

HOW YOU CAN HELP

The best way is by sponsoring a student.
A full sponsorship costs **US\$ 58** per month.

THE NEED FOR A SCHOOL

In Tanzania, local schools are overcrowded, hitting is commonplace and educational resources are nonexistent. Because of this, most children struggle and underachieve, and eventually just give up or drop out.
