

**PROVEN EDUCATION LEADERSHIP
AND PUBLIC SERVICE
EXPERIENCE YOU CAN TRUST**

FOR OUR CHILDREN. FOR OUR FUTURE.

ELECT BARRY CHANG

for Santa Clara County Board of Education

Councilmember/Former Mayor Barry Chang, a fiscally conservative and socially progressive leader, has an unparalleled record of serving the people with integrity. With over 20 years of public service, Barry continues to advocate for public education, for our children, and for our future.

Barry currently serves as Cupertino Councilmember and brings proven leadership in supporting our community:

- Former Mayor, City of Cupertino 2016
- 9 years on Cupertino City Council
- 4 years on Public Safety Commission
- 8 years on Cupertino School Board
- 2 years on School Site Council
- 5 years on School Parent-Teacher Association (PTA) Board

With your vote, Barry will work diligently to:

- **Strengthen the safety net for the County's most vulnerable children - from preschoolers to foster youth, special education and at-risk students.**
- **Improve outcomes for our County's schools.**
- **Secure more education funding from the State**

VOTE FOR BARRY CHANG. FOR OUR CHILDREN. FOR OUR FUTURE.

ELECT BARRY CHANG

for Santa Clara County Board of Education

Fighting Lehigh's Southwest Cement Plant

Portal Elementary School, CUUSD

Apple Park

PROVEN LEADERSHIP SKILLS:

As Cupertino City Council Member and former Mayor, Barry Chang brings proven leadership skills and experience to lead the Santa Clara County Board of Education. As a resident of Cupertino, Barry has a positive record when it comes to improving the education system, the county, and the environment.

CUPERTINO SCHOOL BOARD EXPERIENCE:

Serving 8 years on Cupertino School Board, Barry helped improve student performance despite funding cuts. He also established the visionary and very popular Cupertino Language Immersion Program to help fully engage students. And he worked to alleviate school overcrowding conditions.

PUBLIC SERVICE DEDICATION:

Barry worked diligently with Apple, Inc. and achieved a win-win solution on the successful Apple Park Project. Now, they are working together to find solutions for traffic congestion. For 10 years, Barry led the Bay Area for Clean Environment Inc. (BACE) to force the Lehigh Southwest Cement Plant to comply with environmental laws.
