

# ACTION SPEAKS LOUDER THAN WORDS

AT THE TIME OF **TRAFFIC AND HOUSING CRISIS** IN ASSEMBLY DISTRICT 24,  
WE NEED SOMEONE WHO CAN **ACT**, NOT SOMEONE WHO CAN **TALK**.

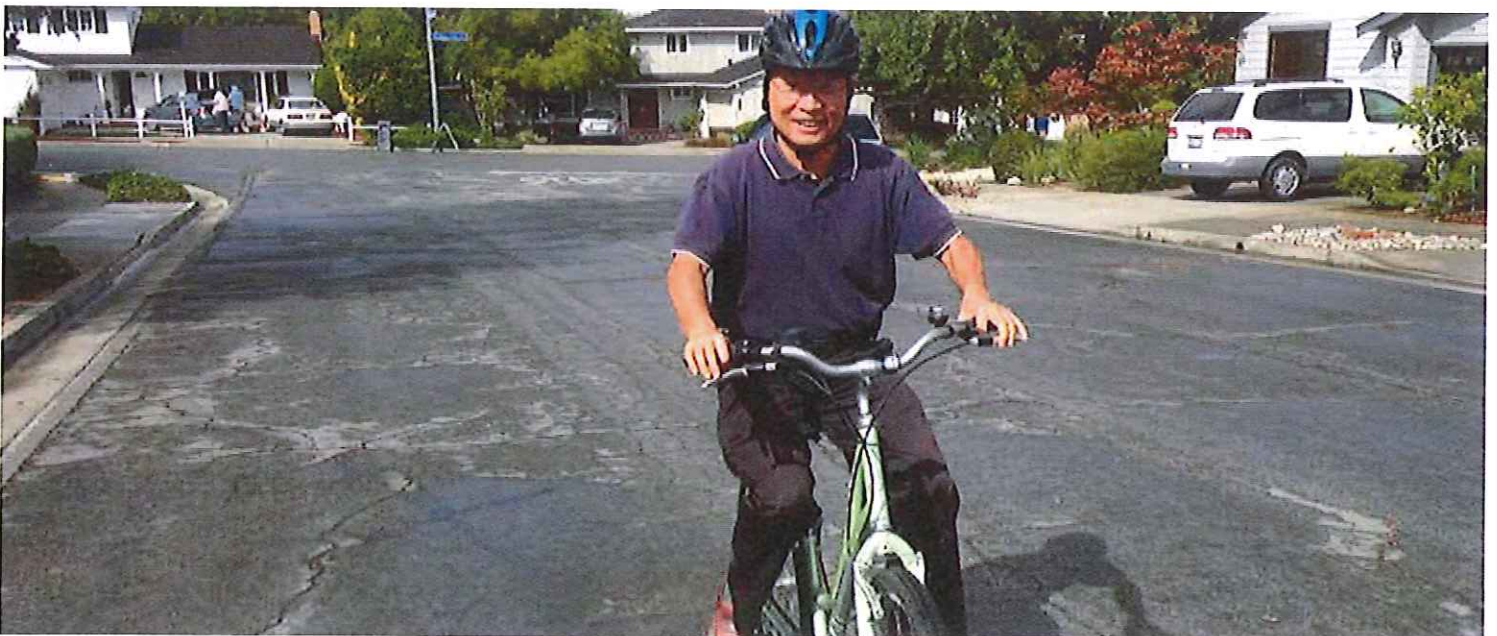

**ELECT MAYOR BARRY CHANG TO STATE ASSEMBLY ON JUNE 7 OR BY MAIL**

STATE SENATOR JIM BEALL

CHAIR OF CALIFORNIA STATE SENATE  
TRANSPORTATION AND HOUSING  
COMMITTEE, HONORABLE **CALIFORNIA  
STATE SENATOR JIM BEALL ENDORSE  
MAYOR BARRY CHANG** FOR STATE  
ASSEMBLY.

“I have known Barry since he ran for Cupertino School Board in 1995. Barry is a doer and a fighter. He cares deeply about Education, public health, the environment and traffic congestion problems in Silicon Valley. He will be an excellent member for State Assembly. I love to work with Barry”

BARRY IS RIDING ON A BIKE.

# ELECT **BARRY CHANG** TO STATE ASSEMBLY ON JUNE 7 OR BY MAIL.

Traffic congestion on Highway 85

## **TRAFFIC PROBLEMS:**

Transportation agencies need to stop wasting tax payers' money and change the focus. The agencies need to focus on moving people where people want to go, not where the agencies want people to go.

Working with cities in Assembly District 24 and West Valley, Mayor Barry Chang has managed to stop VTA's wasteful Highway 85 Toll Lane Expansion Project proposal and secured a promise of funding for Assembly District 24 from VTA.

## **TRAFFIC SOLUTIONS:**

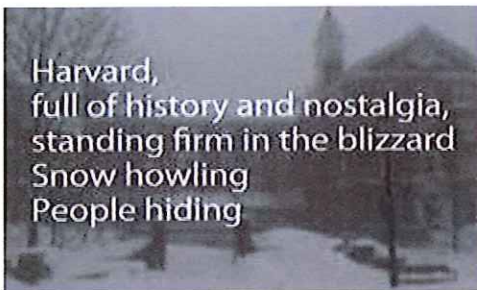

When elected to State Assembly, Barry will fight to get more transportation funding for Assembly District 24 for:

1. Electrification and grade separations for Cal Train.
2. Completing BART loop around the San Francisco Bay from Milpitas to San Francisco Airport via Highway 237 to Sunnyvale, Mt. View, and Highway 101 to Palo Alto, Menlo Park and San Francisco Airport.
3. Re-opening Dumbarton Rail to transport people across the Bay.

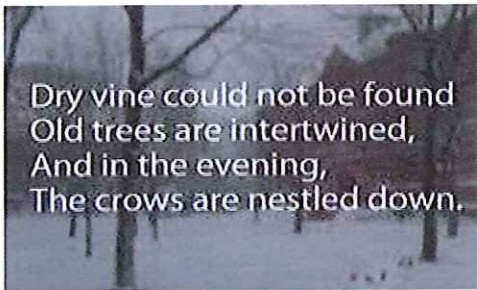

With a Master's degree in Civil Engineering and experience of building freeway, Barry is the only candidate who has important knowledge and experience to help us solve our intensifying traffic congestion problems.

## **GETTING TO KNOW BARRY:**

In his spare time, Mayor Chang likes to read and write poems. One of his favorite poet laureates is Robert Frost. In his State of the City speech, he said if there are more people reading and writing poems, we will have a better and peaceful world. Harvard,  
full of history and nostalgia,  
standing firm in the blizzard  
Snow howling  
People hiding

Dry vine could not be found  
Old trees are intertwined,  
And in the evening,  
The crows are nestled down.

One lone person is strolling  
still searching,  
round and round!

—Barry Chang
