Dear Minister

PRIME MINISTER'S TASK GROUP ON ENERGY EFFICIENCY

The BCA Sustainable Growth Task Force recently met with Dr Martin Parkinson and Mr Howard Bamsey to discuss the work currently underway on policies to support a step change in energy efficiency in Australia.

Members of the task force benefited from hearing about the approach being taken by the task group and the advisory committee and appreciated having the opportunity to highlight some of the principles the BCA feels are important in considering energy efficiency policy development.

I have attached a copy of the BCA energy efficiency policy principles for your information.

Please do not hesitate to contact me on 03 9268 4922 or Ms Maria Tarrant on 03 8664 2608 if you would like to discuss these further.

Yours sincerely

Gerry Hueston
Chairman
BCA Sustainable Growth Task Force
