

Vision: Enduring prosperity for all Australians

GOALS AND ASPIRATIONS

A strong economy and full employment

A strong society and improving standard of living

Growing sustainably and using our resources efficiently

RESPONDING TO A CHANGING WORLD: THE CASE FOR CHANGE

Rise of emerging economies

Technology and digitisation

Natural resource consumption

Restructuring of the Australian economy

Growth and ageing of population

THE NINE THINGS WE MUST GET RIGHT

Tax, fiscal policy and the federation

Planning for population and cities

Providing infrastructure

Realising the potential of people and workplaces

Rethinking our approach to regulation and governance

Embracing global engagement

A strong, stable and competitive financial system

A coherent and comprehensive energy policy

Creating the right environment and systems for innovation

PHASES FOR POLICY ACTION

Phase One (1–3 years):
Building trust and confidence

Phase Two (3–6 years):
Consolidating and growing the economy

Phase Three (6–10 years):
Realising our full economic potential and reaping the benefits

MEASURES OF SUCCESS

A strong economy and full employment
Australia to be ranked in the top five in the world for real GDP per capita

A strong society and improving standard of living
Maintain a reasonable distribution of wealth and income

Growing sustainably
Continue to reduce the resource intensity of our overall economic activity
