Please attach a separate document which answers the following questions.

Project Description

Describe how the project addresses our **guiding principles**, in 500 words or less. The Fund's guiding principles are:

- Millennium Development Goals: ending poverty and hunger; universal education; gender equality; child health; maternal health; combat HIV-AIDS; environmental sustainability; global partnership;
- Social and economic justice;
- Solidarity and the values of trade unionism and social democracy;
- Fair trade policies;
- Quality public services as a foundation of a democratic society;
- Peace and environmental sustainability;
- Human rights and gender equality;
- Decent work for all, an end to child labour and respect for international labour standards.

Does the project examine and work to change the **root causes** of the problem it seeks to address? If so, how?

Does the project work with a **local group**? If so, how?

Does the project have a short-term, medium-term or long-term **achievable goal**? If so, how will it be **measured**?

Please provide a **timeline** for the project.

Financial Description

Please provide an idea of how our contribution will be used, and if possible, a budget for the project.

Reporting

Please provide an idea of future reporting for the project. Note that reporting for the contribution to the project is necessary for any further funding to be considered.
