Attention: Mike Eso
Correctional and Sheriff Services Component
Bargaining Committee

Dear Mike Eso:

Further to our discussion during bargaining, this will confirm my advice that in general, and as part of normal operations BC Sheriff Services does not anticipate using persons other than deputy sheriffs or sheriffs to do work normally performed by members of BC Sheriff Services.

In the event that BC Sheriff Services does determine that it is necessary to utilize other persons the union will be advised in advance.

Sincerely,

Ross McKenna
Superintendent, Fraser Region
Court Services Branch
BC Sheriff Service
Ministry of Justice
