

Biography
DEB WAGNER for
BCGEU Local 407 Chairperson

Dear Sisters and Brothers,

My name is Deb Wagner and I am running for Local 407 Chairperson. Being active for the past 7 years as a previous Chair and currently as First Vice Chair, Facilities Bargaining Committee member, Steward and JOHS member, has completely made me understand all the issues we have in our fields

There is approximately 1100 Members and 13 sites in our Local Area which makes us a very large, diverse group of very important workers in our communities and which most of us have huge concerns with Workload, Health and Safety issues and Communication.

If elected as chair, I will work with the Stewards, Occupational Health and Safety reps and Members at each site. Communication will be a major part of the process to help minimize these key concerns also having more meeting to strategize will also be top priority.

Thank you for your time and remember me, Deb Wagner when voting for the BCGEU Local 407 Chairperson.

In Solidarity,
Deb Wagner
Local 407, 1st Vice Chairperson
