Re: Tentative Agreement Reached!

Your BCGEU Bargaining Committee is pleased to announce we have reached a settlement agreement. Full details about the deal will be provided shortly, along with information about the ratification vote process.

The monetary package is within the 2019 Sustainable Services Negotiating Mandate (PSEC), and includes full retroactivity and many other positive, substantive changes to the language. Your Bargaining Committee is recommending acceptance of this renewal agreement and we encourage you to vote **YES**.
