Re: Tentative Agreement Reached

On behalf of the Living Well Bargaining Committee, we are pleased to announce that we have reached a tentative agreement for a one-year extension.

The details include 2.5% wage increase retroactive to April 1, 2020. As well, any employee earning less than \$17.00 per hour will receive 2.5% retro and the new rate of \$17.00 per hour upon ratification.

All employees year one thru four fall in this category currently earning 15.97 to 16.55.
An online Ratification process will commence shortly
