Inspection Text

Issued on: 2008/06/03

This was a follow-up inspection to authenticate appropriate compliance with the two orders noted in inspection report 2006140330202. The employer representative provided me with ample documentation to demonstrate compliance. An example of this documentation is attached to this inspection report as an electronic copy of the monthly JHSC meeting minutes and the ongoing monthly training schedule for example, January to June.
